RE: Child Care Administration
2009 Allocations

PURPOSE

This memo provides notice of 1) the Child Care Administration and Operations allocations for counties for the period of January 1, 2009 through December 31, 2009 and 2) information on the AFSCME family child agreement during the 2009 contract period.

BACKGROUND

Wisconsin Statute s. 49.155(3m) limits the Department to issue child care administration allocations to no more than the greatest of the following amounts: five percent (5%) of child care benefits distributed in the current year; five percent (5%) of child care benefits distributed in the immediately preceding year; or twenty thousand dollars (\$20,000). The methodology for determining allocations has changed from previous years. However, no county or tribal 2009 contract will be lower than their 2008 level.

2009 Allocations

The funding level for the 2009 Child Care Administration and Operations on a statewide level is \$15,954,379. The 2009 Allocations in the attached chart is the same as the current year. The allocations in the attached chart are final and are not subject to additional reallocation amounts in 2009.

AFSCME/Child Care Providers Together (WCCPT)

Governor Doyle signed Executive Order #172 on October 6, 2006 directing the Department of Health and Family Services and the Department of Workforce Development to Meet and Confer with Family Child Care Providers in order to improve the delivery of quality child care services.

The two departments negotiated an agreement with the Wisconsin Child Care Providers Together, AFSCME Councils 40 and 48, AFL-CIO. The members ratified the agreement and it was signed in July. The new Department of Children and Families is executing the agreement.

The following language from the State/WCCPT will be inserted in your CY2009 Child Care Administration contracts, Appendix E:

The County shall perform responsibilities related to the Child Care Programs as specified in this contract, including (but not limited to) following directives in Administrator's Memoranda issued pursuant to Article 3 Sections A, B (6) and (7), C and D and Article 4, Sections 2 and 4 of the Memorandum of Agreement between the Wisconsin Department of Health and Family Services (DHFS), the Wisconsin Department of Workforce Development (DWD) and Wisconsin Child

Care Providers Together, American Federation of State, County and Municipal Employees (AFSCME), Councils 40 and 48, AFL-CIO.

The attachment contains reference materials in the interpretation of these provisions with information to clearly identify what procedures and activities the county agency workers are responsible to provide to family child care providers because of the agreement.
